

Standard placement criteria for municipal daycare institutions for children and for after-school care for elementary school students in Mannheim

(applicable to placements as per the childcare year 2018/19)

1. Priority daycare placement for:

a) Children whose placement is recommended by Social Services of the Youth Welfare Office (based on the fact of endangering the child's welfare according to §8a SGB VIII or promoting the child's welfare according to § 27 SGB VIII).

b) Children who must attend school the following daycare year and are not attending any institutions yet.

c) Children who already attend a nursery offer at the same institution at the transition time for kindergarten. The scope of care remains the same.

2. The following evaluation criteria apply to all children for childcare placement:
