

Mannheim Familienpass (Family pass)

Mannheim Familienpass

For the year 2017, the City of Mannheim is offering the Familienpass for all Mannheim Families and single parents, independent of their income. The Familienpass is intended to stimulate parents and children to spend their leisure time together and facilitate their access to the existing range of offers. The Familienpass (voucher booklet with authorisation card) can be obtained by all families and single parents with children aged under 18 years, who have their main residence in Mannheim. The Familienpass 2017 can be collected free of charge from [Citizens' Services](#), or ordered **using the following** Online [form](#).

Familienpass plus

Since 2010, the Familienpass has been supplemented by the Familienpass plus. In the same voucher booklet, you can find further price reductions and attractive offers for families and single parents who receive benefits in accordance with the SGB (Social Code) II or who receive subsistence aid in accordance with the SGB XII or in accordance with the Asylum Seekers Benefits Act.

It is not possible to apply online for the Familienpass plus. This can only be obtained directly from Citizens' Services, as up to date assessments on benefits in accordance with SGB II or on subsistence aid in accordance with SGB XII or in accordance with the Asylum Seekers Benefits Act have to be submitted. Here please observe the appropriate guidelines.

The **entry of people into the Familienpass who are extended family and friends** (e.g. non-marital partnerships or divorced parents or children who have a different place of residence due to a separation) **is also not possible during the online order**, as the appropriate verifications (e.g. birth certificate and passport document) must be submitted to Citizens' services. We ask for your understanding in this matter.

Vouchers

In the voucher booklet of the Familienpass, you can find vouchers for free entry or reductions for facilities and associations in Mannheim: e.g. several vouchers for indoor swimming pools; for theatre visits, for the city parks, for museums and many further leisure time activities.
